-
- Visiting Scientist, Indian Statistical Institute, Kolkata
- Lecturer, University of Western Sydney August 2000 to December 2002
- Lecturer, Charles Sturt University, Bathurst, February 1999 to August 2000
- Associate Lecturer, University of Western Sydney, February 1997 to February 1999
- Lecturer, Southern Cross University, February 1996 to February 1997
- Lecturer, the PNG University of Technology, PNG, February 1995 - February 1996.
- Associate Lecturer (Casual), University of Western Sydney, February 1994 - February 1995
- Economist (Trainee), Pacific Power, Sydney June 1993- July 1994
- Research Officer, Damodar Valley Corporation, India, January 1987- April 1992
- Research Associate, Bidhan Chandra Krishi Viswavidyalaya, Kalyani, India, May 1983- January 1987
- Statistical Analyst, Clarian Advertising Private Limited, India, June 1982- May 1983

Administration:

1. Honours Coordinator in Economics and Finance since January 2007-September 2011. i) Made considerable changes in the honours program. For example, I recommended the school to discontinue Research Proposal and Seminar unit since there was significant overlap between Honours thesis and this unit. My recommendation was implemented by the Dean. ii) Started mid-year intake in honours program I contacted prospective employers and made them aware of the strength of our economics honours program. Reserve Bank of Australia, Australian Treasury, ACCC and many other banks are the major job providers of our honours students. In 2009 I have contacted, Standard & Poor, Moody's, KPMG and make them aware regarding our excellent honours program, In 2010 they have started to recruit our students as a part of their graduate program. In 2010 two students got job in the Reserve Bank of Australia and one employed by Moody's among many others.
2. Member of the **Mathematics Expert Advisory Group, Senate Education Committee** (in the University of Western Sydney). This group has made few recommendations based on my research. (2007-2014)
3. Webpage Manager, (2002 to 2005) School of Economics and Finance, University of Western Sydney.
4. Computer software and database Manager (2000 to 2007), School of Economics and Finance, University of Western Sydney.
5. Two months experience as a Head of the Dept. in the University of Technology, Lae, PNG (1996)

Teaching:

1. Consistently receiving above average teaching evaluation reports since 1999.
2. University of Western Sydney recognised my teaching by publishing widely my good teaching record: Published University wide - Good Practice Guide No. 1 of my feedback of learning.
3. Published seven journal articles in refereed journal in teaching and learning.
4. Received two teaching awards in the College of Business in the University of Western Sydney.

Teaching Award:

1. In 2012 Deputy Dean of the School of Business nominated me for the **OLT citation award**.
2. **Excellence Award (2009) for Outstanding Contribution to Student Learning** from the University of Western Sydney, College of Business.
3. **Excellence Award-Highly commended (2001) in Teaching** from the University of Western Sydney, College of law and Business.
4. **Nominated** (name proposed in the School meeting) for Quality Teaching Award (2002) (**NSW Minister for Education and Training & The Australian College of Education**).

Outstanding Reviewer:

I have been chosen as an **Outstanding Reviewer** for *International Journal of Development Issues* in the **Emerald Literati Network 2015 Awards for Excellence** for the recognition of my significant contribution throughout 2014.

Advisory board:

1. Computational Intelligence, Communications, and Business Analytics (CICBA-2017), India
2. 52nd Annual Convention of Computer Society of India (CSI 2017) as Indian National IT Congress, India
3. NICMAR, Pune - advisory Board

Other Award:

1. **Best paper award:** Mallik, G. Qingliang Tang, Q., Nguyen, D. (2023) The Nonlinear Relation Between Carbon Emissions and the Market Value of Firms: Do Emissions Always Convey a Bad Message? 45th All India Accounting Association conference, India, December 9 and 10, 2023
2. **Volunteer Award (Certificate of Appreciation, 2009) for HSC lectures** from Parramatta City Council (NSW, Australia).

Teaching Experience:

I have over 25 years of teaching experience both at University and College level. I taught {Coordinating, lecturing, and tutoring (up to 1400 students at a time)} Microeconomics, Macroeconomics, Corporate Finance, Financial Theory, International Finance, Econometrics, Statistics and Mathematics both at Undergraduate and Postgraduate levels. The details are given below:

August 2000 – Date University of Western Sydney, Campbelltown, Australia

Subjects-	Corporate Financial management	2 nd year level
	Economic Modelling	3 rd year level
	Introduction to Economic Methods	1 st year level
	Introduction to Economic Methods	2 nd year level
	Corporate Finance	Postgraduate level
	Macroeconomics	1 st year level
	Monetary Economics	3 rd year level
	Microeconomics	1 st year level
	Financial Decision Making	2 nd year level
	Corporate Financial Decision Making	2 nd year level

Feb 1999 to August 2000 Charles Sturt University, Bathurst, Australia

Subjects-	Macroeconomics	1 st year level
	Macroeconomic Analysis	2 nd year level
	International Finance	2 nd year level
	Applied Econometrics	Postgraduate level

Feb 97 – Feb 99 University of Western Sydney, Macarthur, Australia

Subjects -	Microeconomics	1 st year level
	Macroeconomics	1 st year level
	Quantitative Techniques for Economics & Finance	2 nd year level
	Applied Econometrics	Postgraduate level
	Financial Management	2 nd year level
	Financial Theory	2 nd year level

Feb 96 to Feb97

Southern Cross University, Lismore, Australia

Subjects:	Microeconomics	1st year level
	Macroeconomics	1st year level
	Quantitative Analysis	Postgraduate level
	Managerial Science	Postgraduate level

July 95 to Feb 1996

The PNG University of Technology, Lae, PNG

Subjects -	Applied Statistics	Postgraduate level
	Advanced Statistics	3rd year level
	Econometrics	4th year level
	Mathematics	1st Year level
	Macroeconomics	2nd year level

July 94 - July 95

University of Western Sydney, Macarthur, Australia

Subjects -	Macroeconomics	1st Year level
	Microeconomics	1st Year level
	Microeconomics	3rd Year level

Jul 87 - Mar 92

B. S. K. College, Maithon, India

Subjects -	Microeconomics	1st Year level
	Macroeconomics	1st Year level
	Business Statistics	2nd year level
	Statistics	3rd Year level

May 84 - Jan 87

B. C. Agricultural University, Kalyani, Calcutta, India

Subjects -	Microeconomics	1st year & 2nd year level
	Macroeconomics	1st year & 2nd year level
	Quantitative Economics	3rd year level
	Econometrics	Postgraduate level

Editorial board:

1. Member of editorial board member of the journal: *Frontiers in Finance and Economics*. Published by the Graduate School of Management, Lille, France. (2002 to 2012)
2. Member of editorial board member of the journal: *International Journal of Business Policy and Economics*-Serials Publications. (2008 to 2015)
3. Member of editorial board member of the journal: *Open Journal of Economics and Commerce*. (2017 to date)

11. *"A Study of the Human Resource Management of Match Industry in Sivakasi District"*, (2001) by Ms P Amarjathi from Madurai Kamaraj University, Tamilnadu, India.
12. *"Farm Planning in West Bengal: Case study of some Agricultural Firms."* (2002), by Swarbhanu Mitra, Department of Economics University of Burdwan, Burdwan, India.

13. “Promotion and Development of Khadi and village industries through KVIC-A study with reference to Madurai region.” (1999) Madurai Kamraj University, India.

Examination of Honours Theses:

1. “High and Persistent Unemployment in Australia 1979-1999: Unemployment benefits? (2001), School of Economics and Finance, University of Western Sydney, Australia.

Current Areas of Research:

1. Importance of mathematics in higher education
2. Inflation uncertainty and growth
3. Foreign aid and economic growth
4. Financial Econometrics

Research Reports:

1. Mallik, G., (2003), “Australian Petrol Prices: What goes down must come up”.
2. Mallik, G, Hettihewa, S, (2003), “Is there a cointegration between the US and Australian Stock Markets?”
3. Mallik, G., Giri, A. & Sain, K. - “A Review of Cost of Cultivation of Rice in West Bengal, India”. Research Report: I. C. A. R. - July 1984
1. Mallik, G. - “Household Food Consumption - Influence of Household Characteristics”. Research Report: Ministry of Agriculture, Govt. of India - Dec. 1984.
1. Mallik, G. - “A Review of Expenditure Elasticity of Demand on Land-holding Size of Farmers in West Bengal”. - Research Report: I. C. A. R. , June 1985

Membership of Professional Bodies:

1. American Economic Association
2. Bengal Economic Association, Calcutta, India.
1. Indian Society of Agricultural Economics, India
2. International Institute for Development Studies, Australia
3. International Society for Intercommunication of New Ideas, USA.

Relevant Informations:

a) Awards and Scholarships:

- * University Merit Scholarship, 1978-1980, University of Kalyani.
- * Prof. S. N. Roy memorial Award, University of Kalyani, 1980, for securing highest marks in M. Sc.

b) Professional Qualifications:

- * Certificate in computer programming in C++.
- * Certificate in computer programming in Basic & FORTRAN-IV.

c) Non-accredited courses:

- * **Farm management, Microeconomics, Macroeconomics**, (1983-1984) B. C. Agricultural University, India
- * **Advanced Microeconomics (1994), Advanced Macroeconomics (1994), Advanced Corporate Finance (1997)** -University of Western Sydney, Macarthur, Australia.

d) Computer skills:

Languages: FORTRAN-IV, BASIC and C++

Software: STATA, EVIEWS, MICROFIT, GAUSS, PCGive10, Minitab, SPSS, SAS, TSP, Derive, Shazam.

e) *Extra and co-curricular activities:* Table (Indian Classical Instrument), Table Tennis, Reading, Artwork.
